WINDOWS & DOORS
Andersen 

We feature premium products from Andersen windows and doors.

Open communication is paramount to successfully building a custom home and it's a top priority for our team. That's why we implemented new interactive technology called the Builder Home Trend System. As a First Choice custom home client, you'll have real-time, online 24/7 access to scheduling information, homebuyer selections, documents, photos, and much more. If you're considering a custom home, then make your first call First Choice at 864.505.2252 or visit www.1stchoicecustomhomes.com.
